April 22, 2018

Dear Member,

We are delighted to announce that the full program and pricing are now available for this year's London Rally, running from July 5 to 8.

Details and a link to ticketing are now available at <http://butlersociety.org/news/2018-london-rally/>.

Events include access to venues, guides and speakers not normally available to the general public. There will be events at the House of Lords, Hever Castle, the Tower of London, Merchant Taylor's and Temple Church.

Please note that in order to attend the Butler Rally, it is imperative that you are a paid up member of the Butler Society itself - membership is just €15 a year and you can join via this link <http://butlersociety.org/product/society-membership/>

For final purchase, we ask that you wait until the week commencing April 23 to finalise your booking. Our bank does not currently accept pounds, but automatically converts them into Euros. All our expenses relating to this Rally are in pounds. The issue should be resolved early next week, at which point we will send another email to members and update the statements on the website.

See you in July!

Thomas Crampton

On behalf of London Rally 2018 organising committee
